The Honorable Kay Granger
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the "Families Flourish Northeast" program in fiscal year 2022.

The entity to receive funding for this project is Families Flourish Northeast (FFNE), located at 127 Mascoma Street, Lebanon, NH 03766.

The funding would be used for the establishment of a residential substance use treatment program for pregnant and parenting women in New Hampshire's Upper Valley region. Families Flourish has identified a building on the Alice Peck Day Hospital campus and is seeking funding to support the renovation of the building for its residential facility.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Ann McLane Kuster
Member of Congress
