Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the City of Berlin, NH, Mason Bridge rehabilitation project in fiscal year 2022.

The entity to receive funding for this project is the City of Berlin, located 168 Main Street, Berlin, NH 03570.

The funding would be used to make critical repairs to the Mason Bridge which serves as a critical corridor between the City of Berlin's east and west sides. The bridge requires serious repairs to ensure safety and functionality for city residents, businesses, and emergency services. This project is a priority for the City of Berlin and its emergency services departments.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Ann McLane Kuster
Member of Congress
