The Honorable Kay Granger  
Ranking Member  
Committee on Appropriations

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the North Country Council's effort to support affordable housing development in fiscal year 2022.

The entity to receive funding for this project is the North Country Council located at 161 Main Street, Littleton, NH 03561.

The funding would be used for the delivery of targeted technical assistance to communities in New Hampshire's North Country to support the development of housing options for low and moderate income households. This initiative addresses one of the most pressing challenges in Northern New Hampshire: lack affordable housing. The North Country Council's proposal enjoys widespread support from communities in New Hampshire's North Country.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

  
Ann McLane Kuster  
Member of Congress
