The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Summer Street Water Infrastructure Improvements in Fiscal Year 2024.

The entity to receive funding for this project is the Town of Lancaster, located at 25 Main Street, Lancaster, NH 03584.

The funding will be used to replace the original lead jointed water and sewer mains and install new water and sewer mains along 6,300 feet of Summer Street: This project is a prudent use of taxpayers' funds because it will make water infrastructure in the town of Lancaster safer by removing a significant portion of lead pipes from the system. Access to reliable sewers, water, and drainage on a main road is necessary for the town to keep community members safe and attract new businesses and residents.

This project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq..

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Ann McLane Kuster". The signature is fluid and cursive, with a long horizontal stroke at the end.
