U.S. House of Representatives
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Lincoln Police and EOC Center Construction in Fiscal Year 2024.

The entity to receive funding for this project is the Town of Lincoln, located at 148 Main Street, Lincoln, NH, 03251.

The funding would be used for the construction of a police station and emergency operations and dispatch center. This project is an appropriate use of taxpayers' funds because a new police station will improve the department's ability to serve the community, accommodate and train full-time officers, and increase communication with other departments. This project has both local and regional significance because it will serve as a centralized dispatch center for the Town of Lincoln and the Town of Woodstock's police and ambulance services, as well as Lincoln's fire department.

This project has a Federal nexus because the funding provided is for purposes authorized by Section 2331 of the Food, Agriculture, Conservation, and Trade Act of 1990, 7 U.S. Code section 950aaa.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Ann McLane Kuster". The signature is fluid and cursive, with a long horizontal stroke at the end.
