The Honorable Kay Granger

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for Mid-State Health Center – Optimizing Health for Children and Their Parents in fiscal year 2023.

The entity to receive funding for this project is Mid-State Health Center, located at 101 Bolder Point Drive, Site 1, Plymouth, NH 03264.

The funding would be used for renovations to the current facility to increase services provided. The renovation will allow for the expansion of lactation support, physical therapy, behavioral health including child mental health, oral health, parent education, and enabling services in a specially designed space to support Mid-State Health Center patients' complex needs.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Ann McLane Kuster  
Member of Congress
