The Honorable Kay Granger

Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for New England College Nursing Program Expansion in fiscal year 2023.

The entity to receive funding for this project is New England College (NEC), located at 98 Bridge Street, Henniker, NH 03242.

The funding would be used for expansion of NEC's capacity to educate and prepare highly trained nursing professionals to respond to the critical nursing shortage for hospitals and other healthcare settings in our region. This expansion will include renovations to the existing nursing building and purchasing new equipment.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Ann McLane Kuster
Member of Congress
