The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Salem Police Department Records Management System for Fiscal Year 2024.

The entity to receive funding for this project is the Town of Salem located at 33 Geremonty Drive, Salem, NH 03079. This funding will be used to replace and upgrade the Salem Police Department's records management system. This is a valuable use of taxpayers' funds because this upgrade will help ensure the Department's ability to carry out its critical law enforcement and public safety functions. The current record management system no longer receives updates and uses thirty-year-old computing software. Upgrading the Department's record management system will improve the Department's emergency response time, cross department data sharing, and expand community reporting services.

This project has a federal nexus because the funding provided is for purposes authorized by Section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Ann McLane Kuster". The signature is fluid and cursive, with a long horizontal stroke at the end.
